

PRELIMINARY

**FORTEC**  
ELEKTRONIK AG

**ECO-Line**

Economic industrial monitor solution in 43" - 86"

OUR GLOBAL  
COMPETENCE  
CENTERS

# Product features

## ECO-Line

### Example meeting room

- With built-in Screenshare Pro software, screen sharing several devices is ready for efficient business collaboration.
- Support Windows, Mac, IOS, Android, Chromebook

### Example supermarket or restaurant

- Users can set the time for playing different content.
- USB Auto Play: Media contents automatically downloaded and played when the USB is plugged
- USB Clone Mode: Media contents automatically copied and synchronized to all signage displays
- Timed Broadcast: Users can set the time for playing different content.
- Enhanced Restaurant Experience Whilst Reduced Operational Efforts
- Time Setting Mode: Enables to schedule the automatic playing of different contents at given time

The light and slim design presents a trendy and fantastic look to suit the various modern business scenarios.

Bezel: 12,8 bottom - 8,8 mm top/left/right bezel width in landscape mode.

New way of collaboration

Timed broadcast

Efficient retail management

Minimalist design
